How it works

- **You text us first.** We only reply to messages you send.
- The first time, we'll ask your name and business so our office can link your number to your account.
- We'll text back if we need details, and confirm when your change is entered.
- Your number is only ever linked to your own account(s).

> Example: “Please add 2 more 3x5 mats starting next week.”

Good to know
